THE RED LEGENDS
SPORT SPIRIT SINCE 1929

**Important information for our youngest
guests in the Kulm Hotel St. Moritz**

Welcome to the Ski School St. Moritz!

The Swiss Ski School St. Moritz, Celerina and Samedan is the oldest and largest ski school in Switzerland. It stands for professional and superior lessons, as it has done since 1929. In a safe and fun environment, our highly trained instructors will carefully assist our younger guests on their way from novice to expert. The teaching is based on the "Swiss Snow League" program, a structured program designed by Swiss Snow Sports experts and used successfully throughout Switzerland.

General information

The children will be grouped according to their level of skiing, and whenever possible according to their language. All skiing classes including "Snowli Kids Village" will be run with a minimum of four children per group and starting from the age of 3. Children aged 5 years old and older can participate in whole day class lessons. Relaxing breaks will be scheduled for the "Snowli Kids Village and Blue League" beginner classes.

Test-Snowli-Day

We offer a trail half-day lesson for children between 3-4 years who have never skied before. This takes place exclusively on Monday mornings at 10 am - 12 noon. If your child enjoys skiing, you can extend the ski course to four half-day (morning) lessons. **For perfect care and learn success at the "Snowli Kids Village" there is a maximum number of 5 children per group.**
