About Kulm Hotel and Grand Hotel Kronenhof:

Kulm Hotel St. Moritz (www.kulm.com) was the first hotel to be built in St. Moritz. The Kulm Hotel opened its doors in 1856 and immediately became popular for summer spa and painting holidays, particularly among the British who comprised around 75% of the hotel guests. The former owner of the Kulm Hotel, Johannes Badrutt, initiated winter holidays to St. Moritz from 1864 and, as a result, the hotel, resort and Switzerland itself celebrated 150 years of winter tourism in the 2014/15 season.

Since the 19th century, the Kulm Hotel has changed considerably through expansion and renovation, but the fabulous location at the heart of St. Moritz with views over the lake remains the same. A member of Virtuoso and The Leading Hotels of the World, Kulm Hotel St. Moritz has 164 rooms, four restaurants (including formal dining, the Italian restaurant, “The Pizzeria” was awarded 13 GaultMillau this year, Gourmet-Restaurant the K awarded 16 points, and local Engadine specialties), the extensive Kulm Spa St. Moritz (with a 20 m indoor pool with underwater music, various saunas and steam room, a Jacuzzi, a fully-equipped gym and treatment rooms, all with stunning views over lake St. Moritz) and six conference rooms, with capacities ranging from 50 to 500 people.

Grand Hotel Kronenhof (www.kronenhof.com), located in Pontresina, four miles from St. Moritz, offers the best of both worlds: the chance to enjoy the glitz of St. Moritz, while staying in a peaceful and picturesque mountain village. Grand Hotel Kronenhof has a rich and interesting history, having first opened its doors in the first half of the 19th century as a guesthouse. However, the main part of the current building, which is a registered historical landmark, was built at the very end of the 19th century in Neo-Baroque style. The latest addition, completed in November 2007 and costing CHF 35 million (approximately USD\$35 million), consists of 28 new guest rooms and a stunning spa complex covering more than 2000 square metres.

Both the Grand Hotel Kronenhof and its sister property Kulm Hotel St. Moritz are owned by the Niarchos family.
